Scarlet Ribbons

Ribbons of Scarlet-Kate Quinn 2019-10-01 “The French Revolution comes alive through the eyes of six diverse and complex women, in the skilled hands of these amazing authors.”--Martha Hall Kelly, New York Times bestselling author of Lilac Girls Six bestselling and award-winning authors bring to life a breathtaking epic novel illuminating the hopes, desires, and destinies of princesses and peasants, harlots and wives, fanatics and philosophers—six unforgettable women whose paths cross during one of the most tumultuous and transformative events in history: the French Revolution. Ribbons of Scarlet is a timely story of the power of women to start a revolution—and change the world. In late eighteenth-century France, women do not have a place in politics. But as the tide of revolution rises, women from gilded salons to the streets of Paris decide otherwise—upending a world order that has long oppressed them. Blue-blooded Sophie de Grouchy believes in democracy, education, and equal rights for women, and marries the only man in Paris who agrees. Emboldened to fight the injustices of King Louis XVI, Sophie aims to prove that an educated populace can govern itself—but one of her students, fruit-seller Louise Audu, is hungrier for bread and vengeance than learning. When the Bastille falls and Louise leads a women’s march to Versailles, the monarchy is forced to bend, but not without a fight. The king’s pious sister Princess Elisabeth takes a stand to defend her brother, spirit her family to safety, and restore the old order, even at the risk of her head. But when fanatics use the newspapers to twist the revolution’s ideals into a new tyranny, even the women who toppled the monarchy are threatened by the guillotine. Putting her faith in the pen, brilliant political wife Manon Roland tries to write a way out of France’s blood-soaked Reign of Terror while pike-bearing Pauline Leon and steely Charlotte Corday embrace violence as the only way to save the nation. With justice corrupted by revenge, all the women must make impossible choices to survive—unless unlikely heroine and courtesan’s daughter Emilie de Sainte-Amarante can sway the man who controls France’s fate: the fearsome Robespierre.

Scarlet Ribbons-Barbara Oprea 2018-03-30 Collection of life poems by Barbara Oprea

Scarlet Ribbons-I was such a fragile child, so timid and so shyAnd life would oft times frighten me and make me want to cryBut night-time came and Daddy, how comforting you’d beAnd the day’s door closed
so gently when you'd come and sing to meYou'd stand beside my bedside and look down on my faceThe memory of your gentle form the years cannot eraseYou sang to me and as you sang you lifted every careFor you sang of scarlet ribbons, scarlet ribbons for my hairAnd though a thin and tousled child lay curled in the bedAnd wispy locks of tangle hair covered then my headYour eyes looked on a princess, elegant and fairWith your golden curls and shining face and ribbons in her hairNow I'm grown and you are gone, how could you slip away?I held your hand in futile hope that I could make you stayBut though death stilled your loving voice, your song I'll always wearOf those lovely scarlet ribbons you imagined in my hairNow days roll into years and years roll swiftly byThe time will come when I will bid this tired world goodbyeAnd when the Lord allows it, your face again I’ll seeAnd Daddy, I'll wear scarlet ribbons so you will know it's me—Barbara Oprea

Slammerkin-Emma Donoghue 2002-05-01 Slammerkin: A loose gown; a loose woman. Born to rough cloth in Hogarth's London, but longing for silk, Mary Saunders's eye for a shiny red ribbon leads her to prostitution at a young age. A dangerous misstep sends her fleeing to Monmouth, and the position of household seamstress, the ordinary life of an ordinary girl with no expectations. But Mary has known freedom, and having never known love, it is freedom that motivates her. Mary asks herself if the prostitute who hires out her body is more or less free than the "honest woman" locked into marriage, or the servant who runs a household not her own? And is either as free as a man? Ultimately, Mary remains true only to the three rules she learned on the streets: Never give up your liberty. Clothes make the woman. Clothes are the greatest lie ever told.

Scarlet Ribbons-Rosemary Bailey 1997 Scarlet Ribbons is the story of the Rev. Simon Bailey, a priest with AIDS, and the remarkable support he received from his Yorkshire mining village parish. He remained rector of Dinnington until the end: the only priest with AIDS to stay in his parish. In 1995, BBC's Everyman screened Simon's Cross, his story, and received a phenomenal response. In his struggle to make sense of his suffering and approaching death, Simon articulated the suffering of the many: the sick, the bereaved, those trying to come to terms with their homosexuality, other AIDS sufferers and their carers. Simon's sister, journalist Rosemary Bailey, has tried, as he did, to make some sense of his death. Her unsentimental and poignant account is a story for our time.

The Crystal Ribbon-Celeste Lim 2017-01-31 In the village of Huanan, in medieval China, the deity that rules is the Great Huli Jing. Though twelve-year-old Li Jing's name is a different character entirely from the Huli Jing, the sound is close enough to provide constant teasing—but maybe is also a source of greater destiny and power. Jing's life isn't easy. Her father is a poor tea farmer, and her family has come to the conclusion that in order for everyone to survive, Jing must be sacrificed for the common good. She is sold as a bride to the Koh family, where she will be the wife and nursemaid to their three-year-old son, Ju'nan. It's not fair, and Jing feels this bitterly, especially when she is treated poorly by the Koh's, and sold yet again into a worse situation that leads Jing to believe her only option is to run away, and find home again. With the help of a spider who weaves Jing a means to escape, and a nightingale who helps her find her way, Jing embarks on a quest back to Huanan—and to herself.

In the Dark on the Sunny Side-Lawrence W. Baggett 2012-12-06 "Misfortune struck one June day in 1944, when a five-year-old boy was forever blinded following an accident he suffered with a paring knife. Few people become internationally recognized research mathematicians and famously
successful university professors of that erudite subject, and not surprisingly a minuscule number of those few are visually impaired. In the Dark on the Sunny Side tells the story of one such individual. Larry Baggett was mainstreamed in school long before mainstreaming was at all common. On almost every occasion he was the first blind person involved in whatever was going on? the first blind student enrolled in the Orlando Public School System, the first blind student admitted to Davidson College, and the first blind doctoral student in mathematics at the University of Washington. Besides describing the various successes and failures Baggett experienced living in the dark on the sunny side, he displays in this volume his love of math and music by interspersing short musings on both topics, such as discussing how to figure out how many dominoes are in a set, the intricacies of jazz chord progressions, and the mysterious Comma of Pythagoras.

Where the Light Falls—Allison Pataki 2017 A rich and sweeping novel of courage, duty, sacrifice, and love set during the French Revolution from New York Times bestselling author Allison Pataki and her brother Owen Pataki Three years after the storming of the Bastille, the streets of Paris are roiling with revolution. The citizens of France are enlivened by the ideals of liberty, equality, and fraternity. The monarchy of Louis XVI and Marie Antoinette has been dismantled--with the help of the guillotine--and a new nation is rising in its place. Jean-Luc, an idealistic young lawyer, moves his wife and their infant son from a comfortable life in Marseille to Paris, in the hopes of joining the cause. Andr , the son of a denounced nobleman, has evaded execution by joining the new French army. Sophie, a young aristocratic widow, embarks on her own fight for independence against her powerful, vindictive uncle. As chaos threatens to undo the progress of the Revolution and the demand for justice breeds instability and paranoia, the lives of these compatriots become inextricably linked. Jean-Luc, Andr , and Sophie find themselves in a world where survival seems increasingly less likely--for themselves and, indeed, for the nation. Featuring cameos from legendary figures such as Robespierre, Louis XVI, and Thomas-Alexandre Dumas, Where the Light Falls is an epic and engrossing novel, moving from the streets and courtrooms of Paris to Napoleon's epic march across the burning sands of Egypt. With vivid detail and imagery, the Patakis capture the hearts and minds of the citizens of France fighting for truth above all, and for their belief in a cause greater than themselves. Praise for Where the Light Falls "Compulsively readable . . . a compelling tale of love, betrayal, sacrifice, and bravery . . . a sweeping romantic novel that takes readers to the heart of Paris and to the center of all the action of the French Revolution."--Bustle "Succeeds in forcefully illustrating the lessons of the French Revolution for today's democratic movements."--Kirkus Reviews "Devotees of Alexandre Dumas and Victor Hugo will devour this tale of heroism, treachery, and adventure."--Library Journal "This is a story of the French Revolution that begins with your head in the slot watching how fast the blade of the guillotine is heading for your neck--and that's nothing compared to the pace and the drama of what follows."--Tom Wolfe
